4. HOW DO I ENTER THE CONTEST?

No purchase is necessary to enter the Contest.

No purchase is necessary to enter the Contest. There are three (3) ways in which to enter the Contest, as specified below, however only those who are deemed to be qualifiers in accordance with these Official Rules will be entered into the prize draw:

- i) Listen to the Station weekdays during the Entry Period (Monday-Friday only, excluding Monday, October 8) at 8:10am and 3:10pm during the Entry Period for a Contest cue to call. The 1st caller to reach the Station at (705-566-1053) following each such cue to call and correctly identify the song OR artist in BOTH songs in the Perfect Music Mixup will be deemed a Contest qualifier. In the event that the mixup has not been correctly identified within 10 minutes of the cue-to-call, the qualifier for that contest occasion will be forfeited.

Where a Qualifier is selected by random draw (specifically, see the third and fourth qualification mechanisms above), the Qualifier will be notified of his/her selection by email, phone.

For those mechanisms identified above that pertain to a cue to call, the following terms also apply:

- i.
 - i. If the telephone line is dead when answered, or no audible response is heard, or no one responds after five seconds, the Station will answer the next call in sequence and the next call in sequence will replace that call, and so on and so forth.
 - ii. In the event a call is cut off before all personal data is collected, the Station will use reasonable efforts to make contact with the cut-off caller, provided enough personal information was gathered in order to correctly identify the cut-off caller.
 - iii. In the event two or more calls come through on the same line, all such callers will be advised to hang up and try again, and the next call in sequence will replace that call.
 - iv. In the event the Station answers a call and identifies the caller as an individual already qualified in this Contest or ineligible to participate in this Contest, the Station will answer the next call in sequence and the next call in sequence will replace that call, and so on and so forth
- ii) The Station's online stream may be a delayed stream of the Station's radio signal and may vary depending on your computer's memory capacity and the speed of your Internet connection. For that reason, it is recommended that listeners listen to the Station in "real time" by turning on an actual radio.
